

MATCH RX

Reference Standard for Verifying RF Equipment

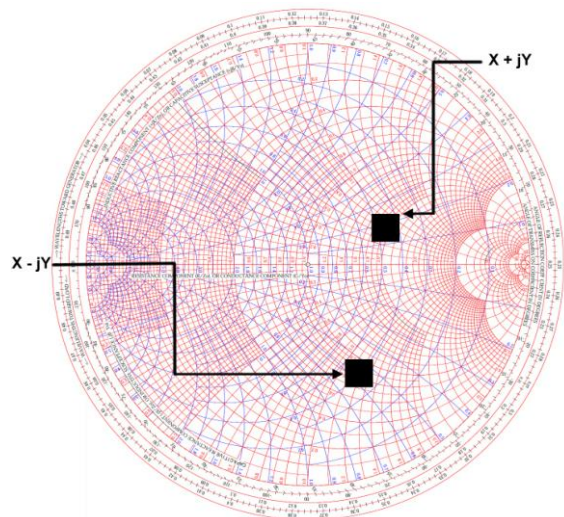

Altronic Research introduces the Match RX, a customizable high power complex impedance RF Load. Our proprietary coaxial* design allows fast, stable and accurate testing at high power. Altronic Research has been making RF loads and resistors for over 50 years and is proud to add the Match RX to our internationally recognized line of products.

- Customizable -
 - Desired load point
 - Power: 100W - 15KW
 - Frequency: 250KHz - 350MHz
 - Mechanical interface
- Water cooled or oil cooled
- Portable option available (with self-contained cooling cart)

* Patent pending
